To Whom It May Concern:

It has come to our attention that a non-recognized Muaythai Federation is organizing a 'so-called' world championship in Bangkok in March 2013. This event is not supported by the sole recognized national federation in Thailand, the Amateur Muaythai Association of Thailand (AMTAT) nor the Asian continental federation FAMA, nor the world federation IFMA.

Any member countries participating in this event will be subject to disciplinary action.

We are very happy for what we have achieved in 2012 and how unified we are. With our proven solidarity we will reach all our goals in this new year which has just begun.

Yours faithfully,

Dr Sakchye Tapsuwan
President, IFMA
President, AMTAT, under Royal
Patronage

Mr Karim Massimov
Head of Office of the President of the
Republic of Kazakhstan
President, FAMA
