

## Open Eindhoven Muaythai Cup 2021 Rules and Regulations

**Due to the pandemic of Covid 19 strict measures shall be observed before, during and after the competition.**

Below regulations are obligatory for each participant of the competition.

Physical distancing is required for participants and spectators of the event at all sites and venues (e.g., on the bench, in locker rooms, attending team meetings, and other similar situations).

Participants are not allowed to enter venues if they are experiencing symptoms of COVID-19.

All participants are required to adhere to hygiene and social distancing instructions, should not cluster at entry or exit points, observe signage and markings that promote social distancing.

All participants are required to wear face coverings at all times in the venue and crowded areas.

Daily health check will be carried out for competitors

Physical (at least 1 meter) separating of competitors, officials, spectators and support staff should be maintained at the venue.

Thorough disinfection and cleaning after/between bouts/competitions will be made for competition equipment

Sharing of equipment is prohibited, in particular ensuring that water bottles and cups are not shared

Ensure safe utilization of the closed containers for all disposable and reusable hygiene materials (e.g. tissue, towels, etc.).

An isolation room/space identified to hold any symptomatic person found at the venue while awaiting patient transport to a medical facility will be set up at the venue.

Availability to handwashing, alcohol-based hand gel and hygiene facilities at multiple locations in the event facility and accommodation will be provided for all participants.

Staff at venues will check competitors' temperatures each day, any temperatures above 38°C will be reported to the event medical lead/chief medical officer.

Anyone participating in the event (athlete, volunteer, official, food handler etc.) should proactively and regularly check their health status (including taking their temperature, and monitoring for any symptoms).

Each participant should wash hands often with soap and water. Use an alcohol-based hand sanitizer if soap and water not available.
